Article II: Membership

Section 1: Membership in this chapter shall be known as active and honorary. Honorary members become graduate members at graduation. Graduate and honorary members have no voice or vote in chapter affairs.

Section 2: Membership in this chapter is an honor bestowed upon deserving students by the faculty, and shall be based on the criteria of scholarship, service, leadership, citizenship, and character.

Section 3: Eligibility

- a. Candidates eligible for election to this chapter must be in the seventh or eighth grade.
- b. Candidates eligible for selection to the chapter shall have a minimum cumulative 4.5 grade point average. This scholastic level of achievement shall remain fixed, and shall be the required minimum level of scholastic achievement for admission to candidacy. All students who can rise in scholarship to our above such standard may be admitted to candidacy for selection to membership.
- c. Upon meeting the grade level and cumulative average standard requirements, candidates shall then be considered based on their service, leadership, citizenship, and character.

Article III: Selection of Members

Section 1: The selection of members to this chapter shall be by majority vote of the Faculty Council.

Section 2: Prior to selection, the following shall occur:

- a. Students' academic records shall be reviewed to determine scholastic eligibility.
- b. Students who are eligible scholastically ("candidates") shall be notified and asked to complete and submit the Student Activity Information Form for further consideration for selection.
- c. The faculty may be requested to evaluate candidates determined to be scholastically eligible using the official evaluation form provided by the chapter adviser.
- d. The Faculty Council shall review the Student Activity Information Form and faculty evaluations (if obtained) in order to determine membership.

Section 3: The selection of new active members shall be held once a year during the beginning of each school year.

Section 4: Candidates become members when inducted at a special ceremony shortly after selection process.

Section 5: Once selected and inducted, all members are expected to maintain the standards by which they were selected and maintain all obligations of membership.

Section 6: An active member of the National Junior Honor Society who transfers from this school will be given a letter indicating the status of his or her membership and signed by the principal or chapter adviser.

Section 7: An active member of the National Junior Honor Society who transfers to this school will be automatically accepted for membership in this chapter. The Faculty Council shall grant to the transferring member one semester to attain the membership requirements and, thereafter, this member must maintain those requirements for this chapter in order to retain his or her membership.

Article IV: Discipline and Dismissal

Section 1: Any member who falls below the standards of scholarship, leadership, character, citizenship or service may be considered for dismissal from the PHMS chapter of the National Junior Honor Society. A member of the National Junior Honor Society is expected to maintain his or her academic standing and take an active role in service and leadership to his or her school and community.

Section 2: If a member's cumulative average falls below the standard in effect when he or she was selected (93 percent), he or she will be given a written warning and a time period for improvement. If the cumulative average remains below standard at the end of the warning period, the student will be subject to further disciplinary action by the Faculty Council, which may include consideration of dismissal from the chapter.

Section 3: If a member fails to perform any of the published obligations of membership, he or she will be given a written warning and a time period for improvement. If the obligation remains unmet at the end of the warning period, the student will be subject to further disciplinary action by the Faculty Council, which may include dismissal from the chapter.

Section 4: Violation of the law or school regulations can result in dismissal of a member. These violations include, but are not limited to, stealing; destruction of property; cheating; truancy; or possession, selling, or being under the influence of drugs or alcohol at school or school-related activities.

Section 5: Offenders of the school conduct code (such as use of profanity, failure to comply, unexcused absence, excessive tardiness, etc.) will receive written warning notification. A conference may be requested by either party (Faculty Council, student, or parent). If the member is involved in another violation of the school conduct code, the member may be considered for dismissal.

Section 6: In all cases of pending dismissal:

- a. The member will receive written notification indicating the reason for possible dismissal from the adviser or Faculty Council. The member and adviser will discuss the written notification in a conference. Situations that involve flagrant violations of school rules or the law can warrant disciplinary action without a written warning although a hearing must still be held.
- b. The member will be given the opportunity to respond to the charge against him or her at a hearing before the Faculty Council prior to the vote on dismissal. The Faculty Council will then vote on whether to dismiss. A majority vote of the Faculty Council is needed to dismiss any member.
- c. The results of the Faculty Council vote will be reviewed by the principal and then, if confirmed, expressed in a letter sent to the student, parents, and principal. Dismissed members must surrender and membership emblems to the adviser and waive any right to reimbursement of membership fees paid.
- d. The Faculty Council's decision may be appealed to the building principal and afterwards through the school district discipline policy.
- e. When a student is dismissed or resigns, he or she is no longer a member and may not be reconsidered for membership in the National Junior Honor Society.
